► **DIY**

De Klinker en de Onderbroek are run by volunteers. We strive for a D.I.Y Mentality, therefore the space is what you make of it. Or more accurately, what we collectively make of it. De Klinker and de Onderbroek are spaces that we shape ourselves, can set up our own activities and try and figure out new things and ideas. A space where we can do things without commercial motivation, pursuit of profit or governal interference. A space where we can try to shape our ideals for a better world.

► **Volunteers**

Both de Klinker and de Onderbroek ar run by a collective of volunteers. These volunteers organise info-evenings, book bands, screen movies, stand behind the bar, buy books, do the dishes, cook delicious food, make orders, paint, fix, create, make flyers and posters, bake cakes, set up discussions, make choices, take care of paperwork, look after the bills, take out the trash, do the laundry and much, much more. Does this sound like something you would like to help out in? Or do you have an idea of your own that you would like to organize? send an e-mail to klinker@grotebroek.nl or onderbroek@grotebroek.nl or talk to one of our volunteers!

► **Spotlight**

Every month we want to highlight a group or organization that is using de Grote Broek and organizing activities. This month: Stichting Gast (Gast Foundation). Stichting Gast is an organisation that helps refugees in need in and around Nijmegen. These refugees have exhausted all legal remedies, but cannot or dare not to go back. These people often still have a real chance of obtaining a residence permit in the Netherlands. But the Dutch goverment abandons them nevertheless.

Stichting Gast works together with other groups, for example Dokters van de Wereld, and helps people without documents with medical, social and legal assistance. At the same time, they are committed to a humane asylum policy. The Gast Foundation does not receive a government subsidy and is therefore dependent on donations and the efforts of volunteers.
